A Gift...Has been donated by _____

in honor of _____

This gift and other donations provide long-term residential treatment and education to youth whose lives have spun out of control due to substance abuse and other life problems. Thanks to Odyssey House Texas, the young people pictured here, and hundreds of others, are alive and making better choices today.

Odyssey House puts gifts like these to work everyday by providing treatment and structure, and teaching daily and independent living skills that address the whole individual and last a lifetime.

For a deeper look into the past and present lives of some of our graduates, please order **So This Is What Good Feels Like**. This profoundly touching volume was commissioned as a tribute to our alumni for having the courage to reclaim their lives. It is a book about Hope and Determination. www.odysseyhousetexas.com
